Approximately 26 persons were present. The following were some of those present:

1. OTTO NATHAN - chairman
2. BABETTE JONES
3. LEONA ABRAMS
4. CHARLES FITZGERALD
5. MARTHA KAHN
6. BELLA ALTSHULER
7. CARL HELBT or HELDT

9. JOANNE GRANT
10. MIKE GUMPOS
11. CAROL BUHR
12. HERB ROSENBLUM
13. SANDRA (SANDY) ROSENBLUM
14. ROSEMARY DAVOLI
15. PETER HALL LEE (sounds like)
16. STANLEY FAULKNER
17. STANLEY FAULKNER's son (It is believed he attends Cornell)
18. SARAH WELLER
19. ABE UNGER
20. JOE CROWN
21. Rev. LEE BALL

OTTO reported on the visit to the Justice Department relative to the Council's plea for Executive Clemency for FRANK WILKINSON. They, he said were unable to meet with LEE C. WHITE of the White House Staff. However, he reported the clemency petitions were handed to REED COZART.

NW 53709 DocId:34385514 Page 6

OTTO requested that the petition campaign for clemency be increased.

JOE CROWN reported that the Emergency Civil Liberties Committee (ECLC) is conducting a similar petition campaign.

SANDY reported that the petition campaign in some mid-west colleges is increasing in terms of success. In the New York area, she reported the "Youth" are beginning to circulate petitions for clemency.

STANLEY FAULKNER stated that the more organizations involved in this type of project the better.

JOE CROWN reported that the Committee for Democratic-Rights located in England had written the President requesting clemency for FRANK WILKINSON and CARL BRADEN. Some agencies and/or individuals in the United Nations will be approached, he said. He did not indicate who would do the approaching.

OTTO reported that the (NYCAHUAC) had been requested by the National Assembly for Democratic Rights (NADR) to support the forthcoming meeting in New York City.

PETER HALL LEE proposed that a letter be sent to the NADR advising them that the NYCAHUAC endorses their meeting or if they desire only the names of the officers of the organization that the NADR feel free to use their names for endorsement. His motion was unanimously approved.

BABETTE JONES stated that she is a member of the planning committee for the NADR meeting. She proposed that the NYCAHUAC have a booth at the NADR meetings for the purpose of securing signatures for clemency for FRANK and CARL. Her proposal was unanimously accepted.

NW 53709 DocId:34385514 Page 7

STANLEY reported that both he and OTTO had been authorized by the Executive Committee of the (NYCAHUAC) to contact and screen individuals for the position of Executive Director of the NYCAHUAC, a paying post.

ABE UNGER had been designated to initiate efforts towards the creation of "Borough Councils to AHUAC". ABE reported that the Manhattan Council has had a first meeting. ABE stated that the purpose of these councils would be to disseminate materials, conduct educational meetings, contact Congressmen and organize and coordinate community efforts towards abolition of (HUAC). ABE stated that individuals should be sought who will devote time to the work and who have some contacts in unions and other organizations.

A preliminary meeting to discuss plans for the formation of a Bronx Council will be held after 9/25/61 at the ho of PETER HALL LEE.

STANLEY reported on the results of a recent organizational meeting of the Council.

He reported that it had been decided to create an "Advisory Council" to the NYCAHUAC. Immediate candidates for such a body would come from the list of 94 signatures to the "Rally" sponsored by the NYCAHUAC at the St. Nicholas Arena. These individuals will be, he said, either contacted by mail and/or telephone by OTTO or himself.

OTTO reported that Rev. LEE BALL had given him a list of clergymen for the Council to contact in this regard.

STANLEY reported that it had also been decided to revise the Executive Committee in order to include all officers of the Council, all chairman of the Council's standing committees and any other individuals proposed at a later date.

NW 53709 DocId:34385514 Page 8

It had been proposed, STANLEY said, that the NYCAHUAC meet once a month on a Tuesday, and the Executive Committee meet twice a month. Additional Council meetings, he said, can be called when deemed necessary.

There was considerable discussion on the Advisory Council feature of STANLEY's report.

JOANNE GRANT requested that the Council pattern itself after DICK CRILEY's organization in Chicago.

ABE UNGER defended the Advisory Council theme as reported by STANLEY. He said that the members of the Advisory Council should not immediately be requested to actively participate in NYCAHUAC's activities but merely serve as advisors. However, he said, attempts should be continually made to interestthem to participate actively in the Council's activities. It was unanimously agreed that this would be the proper approach to members of the Advisory Council.

STANLEY's report, ABE UNGER moved should be accepted. It was unaminously accepted.

JOE CROWN and CARL HELBT or HELDT (Youth member) were requested to seek ways of broadening the clemency petition campaign.

SANDY reported that the Youth to Abolish HUAC met on Saturday. There were, she said, 22 people present representing 18 colleges, for of which were from the New York City area.

JOANNE GRANT reported that both she and BILL PRICE were working on a Council newsletter. In two weeks, she said, it should be ready for release.

Report of a regular New York Council to Abolish the House Un-American Activities Committee (NYCAHUAC) on Tuesday evening, 10/10/61, at Adelphi Hall, room 11H, 74 Fifth Ave., New York City.

There were approximately 20 persons present. The following persons were present:

1. OTTO NATHAN - chairman
2. JOANNE GRANT
3. MARTHA KAHN
4. Dr. HARRY COHEN
5. SARAH WELLER
6. BERNIE WELLER
7. ABE UNGER
8. BELLA ALTSHULER
9. CHARLES FITZGERALD
10. BILL PRICE
11. PETER HAWLEY
12. Rev. HOWARD MELISH
13. SYLVIA CRANE
14. LILLIAN CURTZ (scunds like)
15. STANLEY FAULKNER
16. CARL HIRSCH
17. SANDRA (Sandy) ROSENBLUM
18. HERB ROSENBLUM
19. CARL HELDT

OTTO reported that parole had been denied to FRANK WILKINSON and CARL BRADEN.

SYLVIA CRANE said that she had been visiting FRANK and CARL on the day that there were notified of the denial of parole for them.

NW 53709 DocId:34385514 Page 12

OTTO read a statement from AUBREY WILLIAMS announcing that AUBREY WILLIAMS has resigned as the national chairman of the National Committee to Abolish HUAC due to ill health.

OTTO reported that DICK CRILEY from Chicago has been designated to coordinate the nationwide "abolition campaign" until FRANK WILKINSON is released from prison.

OTTO urged that the petition campaign for "abolition" and clemency be stepped up.

SANDY and OTTO both reported that the Executive Committee of the (NYCAHUAC) had decided to hold a conference on "abolition". It was their intention to invite representatives from union, church, and other groups to the conference. PETER HAWLEY, BILL PRICE, SANDY ROSENBLUM, JOANNE GRANT and possibly RUTH FRANCE and/or LEONA ABRAMS would handle the plans for the conference on abolition.

SANDY stated that she would be completely satisfied if the conference attracted six representatives from all the groups that they intend to invite.

BILL PRICE that the NYCAHUAC newsletter would be ready for a mailing by the coming week-end. The Council, he stated has purchased a machine costing $500.00 to run off the special stencils for the newsletter. The newsletter, SANDY said, would be mailed to approximately 1500 individuals.

ABE UNGER reported that a Manhattan Chapter of the (NYCAHUAC) has been formed. Six persons, he said, met last week for the first time. Not too much, he said, was accomplished, but it was a good beginning.

BERNIE WELLER reported that the NYCAHUAC has about $1600. in the Bank but it needs funds to carry out its commitments and activities.

SYLVIA reported that she is handling BURTON WHITE's speaking tour throughout the country. BURTON, she said, is speaking on "abolition."

NW 53709 DocId:34385514 Page 13

She also said that a new film on "Abolition" is being produced in San Francisco and will be available in December, 1961.

OTTO read a letter from JEAN WILKINSON wherein she stated that FRANK will be getting out of prison in February, 1962. JEAN wrote, he said, that it is presently FRANK's intention to begin immediately, upon his release, a nationwide speaking tour beginning in New York City.

OTTO reported that CARL BRADEN upon his release intends to spend some time with his family before engaging in the "abolition" campaign.

OTTO reported that it was the decision of the Executive Committee of the NYCAHUAC to hold a mass meeting in late November or December, 1961 focusing attention on Congressional appropriations for the HUAC; clemency for FRANK and CARL.

OTTO wanted to know the feeling of the Council in this regard. He also reported that it was decided to hold another mass meeting when FRANK is released from prison in February.

SANDY was opposed to a meeting in November or December, 1961. She said that she preferred an educational campaign conducted on a small and informal basis. The mass meeting, she insisted, should be held in February.

STANLEY, ABE, BELLA, CHARLEY, HOWARD, PETER, BERNIE, BILL and SARAH and OTTO all disagreed with SANDY's position. They all felt that it was the duty of the Council to have a mass meeting before Congress reconvenes in order to publicly focus attention on appropriations and other problems around "abolition."

NW 53709 DocId:34385514 Page 14

BERNIE moved that a mass meeting be held in November or December, 1961. ABE UNGER seconded the motion. BERNIE's motion was carried by a clear majority.

OTTO reported that the Ethical Culture Society opfered their hall as a meeting place for such a mass meeting. However, OTTO said, they stipulated that no admission be charged nor a collection be made. The Council members were not al all sympathetic to such a proposal.

It was decided to permit the Executive Committee of the NYCAHUAC to make all the arrangements for the affair.

The Executive Committee, OTTO announced, is comprised of the officers of the Council, plus committee chairman, plus JOANNE and BILL. Others may be added, OTTO said, at the discretion of the Executive Committee.

It was also decided that JOANNE GRANT and BILL PRICE's chief responsiblity will be the Council's newsletter.

Report of a regular meeting of the New York Council to Abolish the House Un-American Activities Committee, (NYCAHUAC) on Tuesday evening, 11/14/61, at the Hamilton Room of the Hotel Albert, 10th Street and University Place, New York City.

There were approximately 26 persons in attendance. The following were observed in attendance:

1. OTTO NATHAN - Chairman, NYCAHUAC
2. FAYE GOODMAN
3. MIKE HUMBLE
4. ELEANOR FERRY
5. MIKE KROUP (sounds like)
6. SANDRA (SANDY) ROSENBLUM
7. JOANNE GRANT
8. ABE UNGER
9. MARTHA KAHN
10. BERNIE WEILER
11. CHARLES FITZGERALD
12. BELLA ALTSHULER
13. LILLIAN CURTZ
14. LILLIAN CURTZ's husband
15. SIMONE UNGER
16. CHARLOTTE POMERANTZ
17. LLOYD BARENBLATT
18. PETER HAWLEY
19. STANLEY FAULKNER
20. Rev. HOWARD MELISH
21. CARL HELDT

OTTO NATHAN reviewed the plans for the NYCAHUAC sponsored rally for Wednesday evening, 12/6/61 at the Manhattan Center, New York City.

NW 53709 DocId:34385514 Page 18

The purpose of the rally, he said, is three-fold: 1. A Christmas Clemency Campaign for FRANK WILKINSON and CARL BRADEN. In that connection, he said, attempts will be made to secure at least 3600 signatures on Clemency petitions and to select a delegation at the rally to go to Washington, D. C. with the Clemency appeal. 2. The rally will pay homage to at least 37 defendants, who are defendants, he said, because of the relationship to the HUAC 3. The rally will kick-off the Abolition campaign. In this regard, he reported, petitions will be handed out calling for the New York Congressmen to vote against appropriations for the HUAC and to vote for abolition of the HUAC.

PETER HAWLEY told those present that OTTO NATHAN deserves a great deal of credit for arranging the 12/6/61 rally. OTTO, he said, did most of the contacting with the speakers and they all agreed to come.

Tickets were distributed for sale.

BILL PRICE reported that the NYCAHUAC's newsletter would be mailed out before the weekend. BILL reported that both he and JOANNE GRANT worked to produce the newsletter along with CARL HELDT.

OTTO reported that ALEXANDER MEIHLEJOHN agreed to accept the post as advisory chairman to the NYCAHUAC. At least 15 other persons, OTTO reported, have accepted to serve on the "Advisory Council" to the N.Y.C.AHUAC. OTTO did not identify them.

Letters, OTTO said, had been sent by the NYCAHUAC to the individuals who had sponsored the NYCAHUAC rally last December, 1960 requesting them to serve as members of an advisory council to the NYCAHUAC; only two, he said, had refused.

NW 53709 DocId:34385514 Page 19

PETER HAWLEY reported that the NYCAHUAC had made arrangements for a conference on abolition on Saturday, 11/18/61, at the Henry Hudson Hotel.

After PETER had finished reading the list of organizations which had been invited to attend, BELLA and CHARLEY vehemently asked why their organizations the Bronx Committee for Civil Liberties (BCLC) had not been asked to send representatives.

PETER replied that it was the first time that he had ever heard of the BCLC.

CHARLEY replied that the BCLC was a vital and living organization and that he found it difficult to understand why the BCLC had not been asked to attend. Eppecially, he said, when he heard the names of some of the organizations which have been invited.

BILL PRICE, RUSS NIXON, and OTTO NATHAN have spoken at BCLC sponsored meetings, CHARLEY said, therefore, he again couldn't see why the BCLC was not invited.

The BCLC, CHARLEY said, wants no special consideration but, he felt, that an organization like the NYCAHUAC would be remiss if theyfailled to utilize properly the experiences and knowledge of the BCLC.

It was decided to invite the BCLC to Saturday's meeting. OTTO told CHARLEY that it was not an intentional slight. CHARLEY replied that if he thought that it was, he would find it very difficult if not impossible to work in and with the NYCAHUAC.

It was agreed to have an executive committee meeting on Thursday evening at the NYCAHUAC's office. The BCLC representatives were invited to attend.

NW 53709 DocId:34385514 Page 20

It was also decided to hold another NYCAHUAC meeting for the 12/6/61 rally.

BILL PRICE reported that the Stage Manager of the Broadway play "Purlie Victorious" will handle the lighting and staging arrangements for the rally of 12/6/61.

28. MARVIN BELL SKI (sounds like) from the Physician's Forum.
29. Rev. LEE BALL - just dropped in and then left, according to BELLA ALTSHULER, to the National Committee to Abolish HUAC in the same hotel.

ALICE HIRSCH, ANN FLORAN, MARVIN BELL-SKI (sounds like) stated that they were in no position to represent or speak for their organizations but, they said, they would report back to their respective organizations and ask their support of the N.Y.CAHUAC and its program.

OTTO NATHAN asked that all organizations present should feel free to send representatives to all regular NYCAHUAC meetings.

DICK CRILEY reported on the progress of the "abolition" campaign on a nationwide scale.

He reported that more and more active interest for the abolition of HUAC is apparent on national scene.

However, he reported there are strong signs of fascistic features in the right-wing groups, and these right-wing groups carry the stamp of approval from the HUAC.

As a result of a nationwide campaign against the HUAC, DICK CRILEY said, the HUAC have made some concessions toward reform. Even, he said, Congressman WALTER's

NW 53709 DocId:34385514 Page 25

handling of the HUAC hearings are somewhat toned down in the manner in which the hearings are conducted.

Another favorable sign of the effects on the HUAC, he said, as a result of the Nationwide campaign is the containment of the HUAC in Washington, D.C. They do not, he said, dare leave Washington, D.C. to conduct hearings.

DICK CRILEY stated that although there have been some reforms, a witch-hunt can not be reformed. There must be, he said, no compromise in the abolition struggle.

As an outstanding example of what has been done in one part of the nation in the abolition campaign, DICK CRILEY pointed to the recent National Student Association endorsement of abolition of the HUAC and opposition to reform of the HUAC.

RUSS NIXON reported on the Washington D.C. picture relative to the attitude toward the HUAC.

For a long period of time, he said, the HUAC was a dead issue, nobody attached the HUAC from the Congressional floor. However, as a result of the HUAC's Atlanta hearings there developed an added interest. People like MARTIN LUTHER KING, for instance, he said, realized that th fight for the rights of the Negro people was also related to the fight for abolition of the HUAC. The Negro attitude, RUSS stated, before the Atlanta hearings was that they didn't wish to be called Black and Red at the same time.

From a defensive fight against the HUAC, RUSS siad, the fight has now noved to a tremendous offensive position. He cited the moving into the offensive for abolition the Negro movement, the "Youth" indignance to HUAC, and the growth of the entire aboliton sentiment. Here, as an example of the growth of the abolition sentiment, RUSS cited the great increase in the number of prominent signatories to newspaper ads in the press.

NW 53709 DocId:34385514 Page 26

RUSS said that the HUAC is partially abolished. By that RUSS said he meant that the consequences of appearance before the HUAC are not the same as formerly. Formerly, he said, the HUAC's power lie not in imprisoning a witness but in its power to create fear, and to destroy the witnesses capacity to work for a livelihood.

BURTON WHITE reported on the attitude of the "youth" as he saw it from his current speaking tour on the college campuse throughout the country. The student attitude, he reported, relati to the HUAC and its continued existence can be stated in four words, "Enough of this nonsense". There is, he said, on the part of the students an overwhelming response to the abolition campaign. The students are forming abolition groups and are attempting to make their efforts cohesive, he said.

SANDY ROSENBLUM reported that some of the students are working out a dramatization, to be acted out before groups, of the HUAC hearings. This method, she said, is a very effective way to expose the HUAC and its workings.

OTTO NATHAN urged those present to send representatives to participate in the NYCAHUAC meetings and/or activities. OTTO reported that an advisory group is being developed to work with the NYCAHUAC. ALEXANDER MEIHLEJOHN, he said, has agreed to act as chairman of the advisory group.

In the discussion that followed the reports, MIMI FRIEDLANDER stated that her organization, Citizens Committee for Constitutional Liberties, (CCCL) applauds the work of the NYCAHUAC, and will work with the NYCAHUAC whenever and wherever it can. MIMI proposed that there be a Bill of Rights Day Program sponsored by some such similar organizations as those present at the meeting, and as a significant part of the program have a discussion, a review, and an proposed plan for handling the HUAC, and the Mc Carran Act.

CHARLEY FITZGERALD reported that the BCLC is contacting its Congressman, holding meetings, circulating petitions in the abolition campaign.

NW 53709 DocId:34385514 Page 27

CHARLEY SILVERMAN reported that his union has been under attack from the HUAC for years. After the conference, he said, he will report to his national board of his union and request that their union join with the NYCAHUAC in the aboliton struggle.

SAM PEZVNER reported that he will ask the Jewish Cultural Clubs to support the NYCAHUAC rally of 12/6/61.

PETER HAWLEY, in summing up, stated that the HUAC is a free-wheeling outfit. He called for support inaa mobilized base to protest the actions of the HUAC. This can be done initially, he said by attending and supporting the 12/6/61 Rally. He asked those present that if their organizatic pass resolutions calling for abolition to forward copies of same to the NYCAHUAC. PETER asked that those present submit their names in order that they may be on the NYCAHUAC's mailing list.

He submitted a list of names of Congressmen that the NYCAHUAC felt were susceptible to Abolition. He included Congressmen CELLER, MULTER, POWELL, LINDSAY and RYAN. BELLA suggested Congressmen HEALEY (Bronx) and GILBERT (Bronx._

Report of a meeting of the New York Council to Abolish the House Un-American Activities Committee (NYCAHUAC), on Wednesday evening, 12/27/61, at the Hotel Albert, Hamilton Room, 10th St. and University Place, New York City.

There were approximately 19 persons present. Some of these observed in attendance and participating in the meeting were:

1. OTTO NATHAN - chairman, NYCAHUAC
2. Rev. LEE BALL - Treasurer, NYCAHUAC
3. HERB ROSENBLUM
4. KARL Or CARL HELDT
5. JOANNE GRANT
6. SANDRA (SANDY) ROSENBLUM
7. SYLVIA CRANE
8. ABE UNGER
9. CHARLES FITZGERALD
10. MARTHA KAHN
11. STANLEY FAULKNER
12. BELLA ALTSHULER
13. BILL PRICE
14. ALICE HIRSCH
15. BERNIE WELLER

OTTO announced that the NYCAHUAC had made a tape recording of the talks at their 12/6/61 Rally at the Manhattan Center, New York City. Suggestions were made to transcribe the talks or excerpts from the talks and develop a booklet comprising pertinent remarks of the speakers and sell it for about 5¢ a booklet; have records made and sell them for use at fund-raising house parties. No final decision was made. BILL PRICE reported that SARAH WELLER volunteered to type the speeches from the tape.

NW 53709 DocId:34385514 Page 31

OTTO reported that the names of iddividuals that had been secured at the Rally who were interested in helping and/or working with the NYCAHUAC had been turned over to ABE UNGER.

ABE UNGER reported that he had broken up the list of names into the various Congressional Districts throughout the city, except Staten Island. Individuals from each list will contact others on the list to arrange for Congressional visits. The purpose of the Congressional visits, he said, will be to ask the Congressmen to vote against appropriations for the HUAC and vote for abolition of HUAC.

It was decided to mail out to those on the NYCAHUAC's mailing list a copy of a petition to Congressmen requesting that they ask the Congressmen to vote against appropriations for the HUAC. The petiions were to be returnable to the NYCAHUAC.

OTTO proposed that all available petitions in the possession of the NYCAHUAC be given to delegations visiting Congressmen on abolition in order to show them (Congressmen) that people want HUAC abolished.

BILL PRICE stated that copies of the NYCAHUAC's organ will be mailed out over the week-end. On the back page, he said, there is a coupon to be cut out requesting that the individual sign his or her name agreeing to be a member of a delegation for Congressional visitations.

SYLVIA CRANE reported that she had been told by Mrs. MARSHAL FIELD, who in turn, she stated, had told her that she (Mrs. FIELD) had been told by sources high in President KENNEDY's administration that the administration is planning

NW 53709 DocId:34385514 Page 32

to take steps to change at least three (3) members on the HUAC. SYLVIA thought that the members of NYCAHUAC, she said, should know this since they (NYCAHUAC) were undertaking Congressional visits.

OTTO and others asked SYLVIA if Mrs. FIELD's and her information was reliable. SYLVIA stated that she had complete confidence in Mrs. FIELD and her information SYLVIA added that she felt that Mrs. FIELDS possibly had received her information from Ambassador ADLAI STEVENSON. ADLAI STEVENSON, SYLVIA stated, handles the FIELDS' Estate, and the Ambassador and Mrs. FIELDS are close friends.

SYLVIA stated that she had asked Mrs. FIELDS for money for the abolition ad in the New York Times and, (it is felt) the Washington Post. Instead of money, SYLVIA replied, Mrs. FIELDS gave her this information.

BELLA asked if members of the NYCAHUAC in their Congressional visits could make this information known to the Congressmen. SYLVIA and other members of the NYCAHUAC urged that this information remain with the Council members only.

SYLVIA added that it was her feeling that the ADA'ers in administration circles were putting a lot of pressure on the administration to take action against the HUAC. She gets this feeling, she said, from people that she is contact with in New York and Washington, D. C., people, she said, who are in government or who are in a position to know people in government.

NW 53709 DocId:34385514 Page 33

STANLEY FAULKNER, OTTO, ABE, BERNIE, and others felt that DYLVIA's information was a good sign but reminded those present that there should be no let up until the HUAC has been abolished.

OTTO reported that the National Committee to Abolish HUAC (NCAHUAC) at its November 18, 1961, meeting in New York C,ty, (It is believed that OTTO had reference to a meeting at the Henry Hudson Hotel) had decided to open a Washington, D. C. Office to lobby for abolition. The NCAHUAC felt that it would cost $1,000 for a month's time. A month, OTTO said, was all that was necessary at this time. DONNA ALLEN, he said, along with RUSS NIXON, have been selected by the NCAHUAC to operate and function out of the Washington, D. C. office.

SYLVIA CRANE reported that the NCAHAUC felt that each Congressmen at the opening of Congress in January should receive as much material relative to abolition of the HUAC as is available. THe mechanics of such an undertaking, it was felt by the those present, will be worked out. However all agreed it was a good suggestion.

JOANNE GRANT stated that the NYCAHUAC should recommend to the NCAHUAC that a "legislttive conference" be held at the same time as the opening of the Congress and that it be held in Washington, D. C.

STANLEY FAULKNER proposed that along with the "legislative conference" a meeting of the NCAHUAC be held at the same time in Washington, D. C

The purpose of the "legislative conferenc3" JOANNE stated, would be to develop plans of action in the abolition movement that could be directed then and there at the Congressional session. All agreed that this was a good proposal. However, it was not definite as to the timing of the "legislative coneerence". Whether or not it would be held in January or Early February was not decided. In February, STANLEY said, FRANK WILKINSON would be available.

Report of a regular meeting of the New York Council to Abolish the House Un-American Activities Committee (NYCAHUAC), on Wednesday evening, 3/21/62, at the Albert Hotel, Hamilton Room, University Place and 10th Street, New York City.

The following were most of those observed in attendance

1. FRANK WILKINSON
2. OTTO NATHAN - Chairman
3. BERNIE WELLER
4. BILL PRICE - executive director, NYCAHUAC.
5. BELLA ALTSHULER
6. CHARLEY FITZGERALD
7. MARTHA KAHN
8. CARL HELDT
9. CARL HIRSCH
10. MIKE HUMPEL
11. SANDRA ROSENBLUM
12. HERB ROSENBLUM
13. JOANNE GRANT
14. HERB SHAPIRO
15. ABE UNGER
16. PETER HAWLEY
17. Rev. LEE BALL - finanical secretary, NYCAHUAC

OTTO reported that the Executive Committee of the NYCAHUAC had met and proposed for the Council's approval a plan for reorganization of the Council's Executive Committee.

CHARLEY proposed that in addition to standing committee a representative from organizations like his committee, the Bronx Committee for Civil Liberties and Civil Rights, BCLC, he represented on the Executive Committee. With all due respect to the Youth Committee, he stated, he saw no difference, except o of age, and yet it was proposed, he said, to give them a representative on the Executive Committee. He asked to be enlightened on that point.

NW 53709 DocId:34385514 Page 42

After considerable discussion on OTTO's report, it was voted to return the report to the reorganizational committee, under the charge of STANLEY FAULKNER. The Council members want the positions and functions clearly defined in order that they intelligently understand what is happening, and then vote. OTTO, obviously was not in favor of delaying a vote on reorganization.

FRANK reported on the National Committee to Abolish HUAC (NCAHUAC) meeting in Chicago, on March 3, 1962.

DOROTHY MARSHALL, BOB KENNY, and AUBREY WILLIAMS, he said, were reelected as national officers. Most of his report, he stated, is covered in the minutes of the meeting, which, he said, copies of which Council members could pick up after the meeting. No doubt, FRANK remarked, Congressman WALTER of HUAC, will eventually learn just what the NCAHUAC's program for abolition will be, if he doesn't know already. FRANK stated that copies of the minutes should not be left around after the meeting. At least, he said, let's make Cong. WALTER work.

It was decided, at the NCAHUAC meeting to have a natio body consisting of 7 officers who would pretty much, FRANK reported, have final authority. In addition to the already elected officers, there would be selected 4 regional vice-chairman, one from the Far West, one from the Mid-West, one from the East, and one from the South.

FRANK reported that in the future before he takes any action which has not been approved or decided upon by the NCAHUAC, he must submit this action for approval before he can g ahead with it. FRANK stated that he received a letter recently advising him that a HARRY BARNARD (sounds like) an author and a newspaper man had been selected and he accepted to the Regional vice-chairman for the mid-west.

In Washington, D.C., he said, the group working for abolition will be a volunteer one. Their main responsibility, he said, would be to see that the right Congressmen received all the pertinent literature.

NW 53709 DocId:34385514 Page 43

The program for abolition, until January, 1963, will be, FRANK stated, to select between 50 to 75 Congressmen throughout the country and bring this abolition issue to them and indicate support for them, if they accept the idea of abolition, in their primary campaigns and/or election campaigns.

In conjunction with this activity, there will be set up, FRANK added, local Congressional districts to work on, for, and with these Congressmen re abolition and election.

Also, FRANK stated, copies of the editorials and/or statements relating to abolition will be sent to 500 key people throughout the country.

Within these selected congressional districts, FRANK stated, there will be a petion campaign for abolition. These petitions should secure at least 10,000 signatures and a maximun of 25,000 signatures. The petition campaign will begin, FRANK said, around 9/1/62 to 12/1/62. In January, 1963, he said, the petitions, after being shown to the local candidate, will be presented in Washington, D.C. by a prominent member of the community, he hoped.

In January, 1963, FRANK requested as part of the overall abolition campaign, that delegations, whereever possible come to Washington, D.C.

Copies of a N.Y. Times editorial, FRANK reported, will be available and used in the abolition campaign.

The students, FRANK stated, in all parts of the country have requested that they be permitted to operate independently, but, at the same time, avail themselves the use of the NCAHUAC's experiences, services, and the like.

At all the meetings, FRANK urged, monthly sustainers should be secured. Sums of $1, $3, or $5, will do the job nicely, FRANK said.

NW 53709 DocId:34385514 Page 44

During the month of April, FRANK reported, he will speak in Washington and Oregon (States). Around May 6, 1962, he will return to the East, he said. One day, he reported, will be spent in Philadelphia in order to organize a local abolition committee, the other to spend in New York meeting with the NYCAHUAC.

HERB SHAPIRO, FRANK said, had arranged a meeting for FRANK, on Thursday, 3/22/62, at Parrins Restaurant, 60-21 Roosevelt Avenue, Woodside, New York. HERB initiated and was the moving force behind the meeting, FRANK reported.

ABE UNGER and BILL PRICE are coordinating the workings of the New York Congressional districts for abolition activity, FRANK stated.

BILL PRICE reported that since 3/6/62 until FRANK leaves on Saturday, FRANK has spoken or will have spoken at 19 meetings in the Metropolitan Area, and 4 meetings outside of New York City.

FRANK reported that the NCAHUAC will have a regular national news bulletin on abolition, utilizing primarily the inside sheets of the NYCAHUAC, bulletin with the front page prepared possibly through FRANK WILKINSON.

CHARLEY remarked that he felt that some of the petitions should be printed in Spanish-speaking. FRANK thought that CHARLEY's suggestion was a good one.

In some cases it was decided, FRANK stated, at the NCAHUAC meeting on 3/3/62, that the work for abolition be de-centralized. For example, he said, distribution of literature could be done on a regional if not a local basis.

FRANK reported that the Los Angeles Committee of which DOROTHY MARSHALL is a leader, is paying his sal ry. All abolition decisions, on a national basis, he said, would be made by the NCAHUAC. AUBREY WILLIAMS will continue to work with the NCAHUAC, but in a limited way.

1. OTTO NATHAN-Chairman, NYCAHUAC
2. BILL PRICE-Executive Secretary
3. STANLEY FAULKNER
4. CHARLES FITZGERALD
5. BELLA ALTSHULER
6. ABE UNGER
7. SYLVIA CRANE
8. ANNETTE RUBINSTEIN
9. CHARLES LYMAN
10. GEORGE AUERBACH
11. GERTRUDE OBERDICK (sounds like) also called HELEN.
12. MARTHA KAHN
13. PETER HAWLEY
14. Mrs. RUBINSTEIN-(ANNETTE's Mother)

ABE UNGER reported on the NYCAHUAC's efforts to establish Congressional District Committees for Abolition of HUAC (CD's) in New York City. ABE said that much more work is necessary in order to create these necessary (CD's). He said that he would report on this problem at Saturday's conference. ABE gave much credit for the creation of two (2) (CD's) in the City to EDWARD CRAWFORD and CHARLES LYMAN.

LYMAN reported that he had canvassed many of the "reform candidates" and they assured him, he said, that they favored Abolition of HUAC.

STANLEY FAULKNER gave a report on a proposed plan of re-organization of the NYCAHUAC. The plan was adopted. The plan called for an enlarging of the Executive Board of the Council as one of its features. STANLEY also moved for the election of officers of the NYCAHUAC as nominated by the Executive Board. All nominees were elected unanimously. The office of chairman remained open because OTTO NATHAN desires to resign as chairman. OTTO has accepted to act as "caretaker chairman" until a chairman is selected.

NW 53709 DocId:34385514 Page 48

Invitations to FRANK WILKINSON's reception for Friday evening, 9/7/62 were handed out.

BILL PRICE reported on the proposed investigation of the "Black Muslims" by (HUAC). BILL said that the National Committee to Abolish HUAC and the Chicago Committee to Defend the Bill of Rights take the position of opposing this investigation. BILL said the NYCAHUAC should take a similar position.

A discussion followed and OTTO NATHAN said he could not protest the investigation until he knew more about the "Black Muslims". PETER HAWLEY, ABE UNGER and others supported the idea that the NYCAHUAC should protest the investigation. It was then decided that the NYCAHUAC protest to the Congress the investigation by HUAC of the "Black Muslims".

OTTO reported on the upcoming Abolition meeting at Manhattan Center sponsored by the NYCAHUAC, on Wednesday, 10/24/62. OTTO said that the Council was interested in getting some prominent people in the Arts, the Unions, and the Congressional Candidates who favored Abolition to speak. Rev. SHUTTLERWORTH, he said, indicated that he would speak.

SYLVIA CRANE said that she would call OTTO the next day and supply him with some names.

The subject's case was reopened in the NYO on 9/19/62, under the RI program and her residence was verified in the NYO territory. No information was revealed which would indicate that she might have come to the attention of the Soviets as being qualified for and amenable to recruitment for espionage purposes. As a result of this investigation, further action concerning this matter does not appear warranted.

A suitable photograph of the subject is available. This report is classified "Confidential" because it contains information from [redacted] and [redacted] the unauthorized disclosure of which might tend to identify the informants and adversely affect the national defense.

The subject was previously interviewed on 3/14/56, at which time she was completely uncooperative.

Inasmuch as the NYO has received no indication that the subject has changed from her previously demonstrated uncooperative attitude, it is felt that a reinterview of the subject at this time would not be productive.

The subject's activities do not meet the criteria necessary for her reinstatement on the SI and she is being maintained on the RI Section B of the NYO.

1. APPENDIX

FREEDOMWAYS ASSOCIATES, INCORPORATED

The records of the Secretary of State, New York State Department of State, Albany, New York, show that the certificate of incorporation of Freedomways Associates, Incorporated, was filed on March 2, 1961.

The Spring, 1962, issue of "Freedomways" is self-described as "a Quarterly Review of the Negro Freedom Movement" published by Freedomways Associates, Incorporated, 799 Broadway, New York City.

On May 24, 1961, a source advised that a report was given on "Freedomways" at a meeting of the National Board, Communist Party, USA (CPUSA), held on May 24, 1961. It was stated that the original plan called for the publication to be openly Marxist, but that it was later decided it would not be avowedly a Marxist publication. Editorials are in the hands of a mixed group of Marxists and non-Marxists. It was stated that the central purpose of "Freedomways" is to develop a theory and positive criticism of currents in the Negro movement, as well as to raise the level of understanding and discussion taking place in Negro life today and to project a socialist and pro-Soviet orientation.

On May 25, 1961, another source advised that "Freedomways" was set up for the CPUSA by JAMES JACKSON, a member of the National Committee of the CPUSA.

NEW YORK COUNCIL TO ABOLISH THE HOUSE UN-AMERICAN ACTIVITIES COMMITTEE

On March 9, 1961, a source advised that the New York Council To Abolish the Un-American Activities Committee (NYCAUAC), 150 West 34th Street, New York City, New York, was formed at a meeting held in New York City on November 17, 1960. This organization was founded principally through the efforts of FRANK WILKINSON, Field Representative of the National Committee To Abolish the Un-American Activities Committee (NCAUAC).

A second source advised on September 17, 1952, that FRANK WILKINSON was a Communist Party member as of September, 1952.

A third source furnished on September 14, 1961, a copy of resolutions of the New York Council to Abolish the House Un-American Activities Committee (NYCAHUAC) which were adopted by the NYCAHUAC. One such resolution affirmed the intention to continue to work for the abolition of the House Committee on Un-American Activities (HCUA) and to continue its efforts to broaden the participation in this fight. Another resolution accepted as a modus vivendi the suggestion of the Field Representative of the "National Committee to Abolish the HCUA" (NCAHUAC) namely that local abolition committees may identify and co-ordinate their efforts as closely as they desire with NCAHUAC, still maintaining their autonomy for as flexible and independent a program as possible.

Various sources have advised during March, 1962, that Communist Party (CP) members in the New York City area have been solicited to support activities of the NYCAHUAC during attendance at CP club meetings.

On June 6, 1962, the first source advised that the NYCAHUAC continues to function from its office at 150 West 34th Street, New York City, New York.

FROM : SUPERVISOR 45

SUBJECT: Martha Kahn

This Reserve Index case is being reopened to conduct the following investigation:

1. Conduct indices search.

2. Verify residence and employment.

3. Contact informants and sources.

4. Explore subject's informant potential.

5. Determine whether further action under Security Index Program is indicated.

Provisions of SAClet 63-61 (F) dated 12/17/63, set forth certain additional specific factors that should be considered in recommending individuals for inclusion on the Security Index.

SAClet 63-61 states that in connection with all security investigations in the case of individual subjects the essential question for determination is whether the subject's activities are such as to depict him to be a potential danger to the national security of the US in time of an emergency. In the event such a determination is made, his name should be included in the Security Index.

Section 87 D of the Manual of Instructions contains a number of specific factors that must be taken into consideration when arriving at a conclusion as to whether a particular subject meets the Security Index criteria and represents a potential threat to the national security.

The following specific factors in addition to the ones set forth in Section 87D of the Manual of Instructions are set forth for consideration in arriving at a determination as to whether a security subject falls within the Security Index criteria, represents a potential danger in time of an emergency and thus should be included in the Security Index.

1. Contacts with Sino-Soviet-bloc establishments (including Cuba) where purpose of contact cannot be determined or contact indicates Communist sympathies.

2. Contacts with Sino-Soviet-bloc, Cuban or Yugoslav intelligence agents where purpose of contact cannot be determined or contact indicates Communist sympathies.

3. Individuals who have defected, revoked or sought revocation of their United States citizenship in favor of a Sino-Soviet-bloc country, who have returned to the United States, and who have taken no positive steps to counteract such action.

4. Statements or activities on a subject's part establishing reasonable grounds to believe that his loyalty would lie with a Sino-Soviet-bloc country in the event of armed conflict between the United States and a Sino-Soviet-bloc country.

5. Training and/or participation in espionage, sabotage, or intelligence activities.

6. A history of emotional instability or irrational behavior on the part of an individual with a subversive background whose prior acts depict a propensity for violence and hatred against organized government.

The above factors, including the various factors presently set forth in Section 87D of the Manual of Instructions, are not all inclusive but are set forth for the purpose of providing a more detailed guideline and all must be considered in evaluating the facts developed during the course of the investigation.

A communication closing this case should be routed to the Security Index Unit. Any changes to be made on the Reserve Index card should be underlined in red in order that the card may be brought up-to-date.

Captioned subjects are on the RI-B of the NYO and their cases were reopened respectively on 6/26/64 and 7/9/64 under the Reserve Index Program.

A review of the NYO indices revealed no additional information to be reported to the Bureau concerning the subjects.

The writer telephonically contacted Mrs. KAHN on 8/24/64 under the guise of a home delivery newspaper service and determined that she and her husband continue to reside in apartment 5C, 250 West 24th Street, New York, New York.

During above pretext it was determined that Mrs. KAHN is a housewife.

On 8/27/64 the writer telephonically contacted the subject's employment under the guise of a credit inquiry and determined that he is employed as a Business Agent by the International Jewelry Workers Union, Local #1, AFL, 133 West 44th Street, New York, New York.

During July, 1964, the following informants were shown photographs of above subjects, and they advised that they either did not know the KAHNs or had no unreported information concerning them:

Various ideas expounded for review at WSP Nat'l Conference in Winnetka. ARNOLD suggested a "Bring Them Home for Christmas" slogan & actions. Structure of WSP reviewed. ANNE and ARNOLD thought it should remain "loosely organized" and remarked WSP was the most "stable" of peace groups. STEIN suggested women bring their children to Washington if war was not halted. Bombing pause announced made no stir whatever. Cynical attitudes. PAULINE asked ARNOLD to contact distant city WSP people to arrange a Caucus in Winnetka. Adjourned 11:30 PM.

WOMEN STRIKE FOR PEACE,
NATIONAL CONFERENCE,
PHILADELPHIA, PA.,
OCTOBER 17 - 20, 1969

On September 23, 1969, PH T-1 advised that the National Conference of the Women Strike for Peace (WSP) had been scheduled for Philadelphia, Pa., from October 17, 1969, through October 21, 1969. According to PH T-1, MARY CLARKE and GAIL EABY, representing the Los Angeles WSP were scheduled to attend.

On September 29, 1969, PH T-2 advised that the WSP National Conference would be held at the Robert Morris Hotel, Philadelphia, and that BARBARA BICK, editor of "Memo," National bulletin of the WSP, and VICKI KING, National Office Secretary, would attend representing the National Office.

On October 1, 1969, PH T-3 advised that all arrangements for the National Conference for the WSP were being handled through MARY MORRELL of the Philadelphia Office, WSP.

On October 16, 1969, PH T-4 advised that MARY MORRELL left the Communist Party of Eastern Pennsylvania and Delaware (CPEPD) in 1956.

PH T-3 advised that MORRELL indicated that 100 to 125 individuals planned to be in attendance and that the conference

would culminate with a communion breakfast to accommodate 200 individuals on Sunday morning, October 19, 1969.

On October 1, 1969, PH T-5 advised that at a WSP meeting held at their headquarters, 20 South 20th Street, Philadelphia, it was decided that delegates planning to attend the national conference would be required to write directly to the Robert Morris Hotel rather than accomplishing this through the local WSP Office.

According to PH T-5, the WSP drew up plans to form a national committee of wives and mothers of men in Vietnam and men who have died in Vietnam. It was decided that consideration be given to placing an ad in the Philadelphia papers and repeating it for effectiveness. The main theme of the ad would be to appeal directly to mothers of service men in Vietnam or those about to go. It was emphasized that this drive should be a principal consideration of those in attendance at the national conference. According to PH T-5, it was decided that the committee would be a central Philadelphia movement which should spread naturally into a national organization, since it was really a national concern, but all localities were not aware of the emergency. It was decided that WSP in this project would work in unison with the New Mobilization Movement to End the War in Vietnam. It was hoped that a workshop and a press conference would develop naturally at the national conference in order that this project might be fully exploited.

On October 17, 1969, PH T-5 advised that the WSP national conference convened at the Robert Morris Hotel at approximately 2:00 p.m., with only 30 out of an expected 125 representatives present. The opening remarks were made by ETHEL TAYLOR, National Chairman of the WSP, who decried the lack of attendance. She stated that the press conference would be held at 1:00 p.m., the next day at the Robert Morris Hotel in an attempt to build up publicity and enthusiasm.

On April 13, 1965, PH T-2 advised that ETHEL TAYLOR of the WSP led a panel discussion on "Peace" at the annual conference of the Independent Citizens Committee (ICC) held March 20, 1965, on North Broad Street, Philadelphia, Pa.

WOMEN STRIKE FOR PEACE,
NATIONAL CONFERENCE,
PHILADELPHIA, PA.,
OCTOBER 17 - 20, 1969

Reports were read from Seattle, New York, Southern California, New Jersey, Washington, Philadelphia, Boston, Chicago, Montreal, and Berkley, Calif.

The main objective of these reports were support of the Black Liberation Movement, protest the anti-ballistic missile, support of the Vietnam Moratorium, as well as the Grape Boycott in California.

PH T-5 advised that the main objective of most reports was to stop the War in Vietnam and bring the American troops in Vietnam home. Reports reflected that the Moratorium touched many who the peace groups had not reached before and was considered to be very successful. It was suggested that the wives and mothers of Vietnam soldiers and veterans be contacted directly in order to get them to work for the peace movements. It was further emphasized that through solgans, ads, posters and literature the peace movement would be channeled to the whole nation.

Mrs. ETHEL ROBELL presented the report for the New York Metropolitan area.

PH T-5 advised that DOROTHY FORMAN then discussed the chemical and biological warfare proposals and anti-atomic testing ban. PH T-5 advised that in the evening after the dinner, IRMA ZIGAS was scheduled to discuss counseling services in the minority areas as well as the national campaign to repeal the draft.

On October 18, 1969, PH T-3 advised that preparations had been made for a large press conference at the Robert Morris Hotel at 1:00 p.m.; however, attendance at this conference was very sparse.

On October 18, 1969, PH T-5 advised that the press conference of the WSP was held in a separate room of the Robert Morris Hotel, attended by ETHEL TAYLOR, Chairman, accompanied by HELEN EVELEV and MARY MORRELL.

NW 53709 DocId:34385514 Page 89

WOMEN STRIKE FOR PEACE,
NATIONAL CONFERENCE,
PHILADELPHIA, PA.,
OCTOBER 17 - 20, 1969

PH T-5 advised that at 1:30 p.m., the conference reconvened and discussion was held concerning the functions of the National Office. At this time it was determined that only paid members of the WSP staff shall make policy or carry out approved projects. The morning discussion on Vietnam was continued and the question of how the WSP should relate itself with the fall offensive was the topic of conversation. It was urged that committees of wives and mothers of our men in Vietnam and their parents work at pressuring Congress and public on this matter. A heated discussion took place on the sphere of the Washington WSP group and it was agreed that the policy-making functions should be carried on jointly by Philadelphia, New York, and Washington groups. A discussion was subsequently held on WSP's role in the November 15th demonstration in Washington, D.C., and it was decided that the WSP would make slogans, posters, literature, and distribute it to regional groups along with a flyer explaining WSP policies and projects.

According to PH T-5, a large number of colored silk posters with Vietnamese themes, including one of Ho Chi Min, were shown to the conference members. These posters were allegedly made by a Cuban who had been in Vietnam and were being sold and copied for the benefit of the Cuban people. This project was passed under the direction of RUTH MEYER of New York who had recently visited Cuba. The theme of the afternoon activity was to build up enthusiasm for the November 15th assembly in Washington, and work on two levels, the Moratorium and the military-industrial complex. At this point, RUTH MEYER told those present that Pan American Airlines was being subsidized by the U.S. Government to do its bidding and urged that it be boycotted all over the world.

At approximately 2:30 p.m., BELLA ABZUG addressed the conference on the subject of the legislative line.

The May, 1963 issue of the "New York Guild Lawyer," a monthly publication of the National Lawyers' Guild (NLG), indicated that BELLA ABZUG had been

elected to the Board of Directors for the New York Chapter of NLG.

A characterization of the NLG is attached hereto.

A speaker from Berkley, Calif., indicated that WSP in Northern California was helping Vietnam students, but did not go into detailed discussion on this matter. ETHEL TAYLOR indicated that consideration should be made politically on local issues to make a real impression and she urged this session to develop more ideas along the lines of anti-chemical, biological warfare, the draft, and the Vietnam war.

The Sunday Bulletin, in its edition of October 19, 1969, contained an article on page 23, captioned "WSP Plans Unit for Widows of GIs killed in Vietnam. A copy of this clipping is attached hereto.

WSP Plans Unit For Widows of GIs Killed in Vietnam

National leaders of Women Strike for Peace (WSP) plan to form a National Committee of Wives and Mothers of Men in Vietnam and Men Who Have Died in Vietnam.

Mrs. Ethel Taylor, WSP coordinator of the greater Philadelphia area, made the announcement yesterday, the second day of the organization's three-day conference being held at the Robert Morris Hotel, 17th and Arch sts.

Mrs. Taylor said the committee is being formed "to fulfill a need—by working against the war in Vietnam—for the many women who have been affected by this horrible war."

Mrs. Taylor also announced WSP's "total support" of the antiwar activities scheduled by the New Mobilization Committee to End the War in Vietnam, locally and in Washington, Nov. 14 and 15.

On October 21, 1969, PH T-3 advised that the WSP conference had been described by some of those in attendance as a "disaster" inasmuch as the highest number of individuals to attend was 100 for the Saturday session. The poor attendance necessitated cancellation of the proposed communion breakfast as well as several social functions. PH T-3 made available the financial report which was delivered by BARBARA BICK on Sunday, October 19, 1969. A copy of this financial report is attached hereto.

INDEPENDENT CITIZENS COMMITTEE (ICC)

A source advised the Independent Citizens Committee (ICC) was initiated and formed by the Communist Party, Eastern Pennsylvania and Delaware (CPEPD), in October, 1962 to build a left-center organization which would be able to initiate political activity. As of May 4, 1964, the policies of the ICC were dominated by the CPEPD through Communist Party members who were officers and members of the ICC.

On May 24, 1966, this same source advised the ICC continues to operate under the domination of the CPEPD.

The source advised on April 25, 1967 that the ICC was "literally dead", having no headquarters, no general membership, and no money; that unless the CPEPD sent forces into the ICC, it would cease to function, and that, at this time, the CPEPD had no such plans.

"National Lawyers Guild

"1. Cited as a Communist front. (Special Committee on Un-American Activities, House Report 1311 on the CIO Political Action Committee, March 29, 1944, p. 149.)

"2. Cited as a Communist front which 'is the foremost legal bulwark of the Communist Party, its front organizations, and controlled unions' and which 'since its inception has never failed to rally to the legal defense of the Communist Party and individual members thereof, including known espionage agents.' (Committee on Un-American Activities, House Report, 3123 on the National Lawyers Guild, September 21, 1950, originally related September 17, 1950.)

"3. 'To defend the cases of Communist lawbreakers, fronts have been devised making special appeals in behalf of civil liberties and reaching out far beyond the confines of the Communist Party itself. Among these organizations are the *** National Lawyers Guild. When the Communist Party itself is under fire these offer a bulwark of protection.' April 12, 1972

On Wednesday, April 12, at 11:30 a.m., Women Strike for Peace held an anti-war demonstration on Park Avenue between 50th and 51st Streets, NYC.

The theme of the protest was in the form of a picket line - an unusual one. Along the edge of the sidewalk and the curb, men and women lay down to represent dead bodies of Vietnamese, Cambodians, Laotians, Americans, etc. Each "body" bore a sign saying "I am a dead Vietnamese," "I am a dead Cambodian," etc.

Around this row of bodies in a block-long circle walked mourners and picketers, carrying signs saying - "Boycott Wonder Bread, Boycott ITT, Don't pay for bombs when you buy bread," and others.

Some of the bodies observed were:

Cora Weiss - Women Strike for Peace and also Committee of Liaison to Aid Families of Prisoners of War Detained in S.E. Asia, or a similar name. She is also active in PCPJ.

Amy Swerdlow - next to C. Weiss. Amy is editor of WSP publication, Memo. She has traveled to Hanoi as part of a delegation visiting POW's.

Pauline Rosen - Women Strike for Peace, PCPJ, and works with the Vietnam Peace Parade Committee.

Faye Coffin - a paid staff member of Vietnam Peace Parade Committee ($65.00 per week), is separated from her husband Jerry, who is with War Resisters League. Faye and Jerry used to be active in the Staten Island Peace Coalition. They have a daughter, Julie, approximately 3 years old. They used to be close friends with another Staten Island couple, Alan and Ophelia Solomonow, also of WRL. Faye stated today that Alan S. had just returned from the Middle East where he had traveled all over with some group that is pushing a Mid-East peace proposal. Alan is Jewish and Ophelia is Cuban.

NW 53709 DocId:34385514 Page 108

Martha Kahn - Women Strike for Peace, wife of Izzy, was in the line also.

It was difficult to recognize faces in this group due to the fact that people were marching past quickly and most of the demonstrators had sunglasses and heavy clothes.

One person noted to be standing outside the police barricade was Coca Crystal of the Enraged Ones.

The majority of marchers were Women Strike for Peace with others in the minority.

Two other persons in the marchers were from Bronx Citizens for Peace as well as WSP: Nan Okin and Anne Balsan.

The plan for this rally was to conclude at approximately 1 p.m. and go to 777 UN Plaza, 11th floor, for a workshop on the evils of I.T.T.

April 9, 1972

On Thursday, April 6, 1972, an emergency meeting of the Steering Committee of the Vietnam Peace Parade Committee was held at 7:30 p.m. at 13 East 16th Street, New York City.

The meeting was called to order by PAULINE ROSEN who said she was taking over as the regular chairwoman was unable to be there.

The agenda was read by P. ROSEN as follows:

1. Plan for April 15th.
2. Plan for April 16th.
3. T.D.A.'s (The Day After).
4. Plans for action in New York City in the week of April8-15th.
5. Plans for April 22nd.

After reading the agenda she asked everyone to give their names and the organizations they represented; those who did are as follows:

RALPH RICHARDSON - Irish Republican Clubs. This was an enormously, fat man who was calling continously for immediate guerilla - type actions in New York City, and also for volunteers to organize independent actions in Washington on the 15th. He also claimed to have a following of American - I.R.A.'s and he intimated that this week in New York and the 15-16th in Washington would be good "training" for some of his "troops".

ABE WEISSBERG - was the unofficial spokesman for PCPJ along with PAULINE ROSEN. The latter depended on him to control the meeting whenever NPAC-SMC people appeared disruptive.

ERNIE KUDDES - signed register as a representative of CP. He is a tall, older man, balding somewhat with a white beard and white hair.

DAVID SHANE - old peace-nik. Said he was in charge of a bus to Harrisburg,, April 1st, and seemed to know everything about everyone in the room. He likes to flirt with young girls - he appears to be approximately 55-60 years of age.

AARON WOOL - active in trade unions.

IZZY KAHN - former union official recently retired - given charge of a sub-committee to mobilize unionists for 4-15th.

MARTHA KAHN - Women Strike For Peace, wife of IZZY.

BOB CALVERT - War Tax Resisters - at every opportunity (when PAULINE ROSEN would recognize him) he got in his 2 cents worth about WTR.

DAVID LERNERS - Crown Heights Peace Club.

SANDY MODELL - Student Mobilization Committee. She seemed to be a high school student with some status in SMC. She made the announcement re : National H.S. Speakout, April 19th at 4:00 p.m., on the steps at Bryant Park,, RICHARD CLARK speaking with literature distribution for the April 22nd march.

NW 53709 DocId:34385514 Page 113

JAMES DUFFY - with some organization - U.S. Committee of Liaison to Aid National Liberation Forces of South Vietnam (?). He seemed primarily interested in the "CD" (Civil Disobedience) action planned for Washington. He only spoke up once during the evening and that was to ask if the only CD planned was the lie-in at Lafayette Park and the White House. He seemed satisfied when PAULINE ROSEN said, yes. That was the only "official"C.D. planned,but other groups were more than welcome to plan and carry out their own C.D. actions in and around Washington.

COCA CRYSTAL - signed in as the representative of : The Enraged Ones. She had a button on her hat. She did not say what her group was doing and said nothing in the meeting. She took many notes and was involved in some extensive conversation with JAMES DUFFY and RALPH RICHARDSON.

KATHY SOJOURNER - blond girl about 26-28 years old with red handkerchief tied on head. Was the spokesman for NPAC -came with:

BOB CHANEY -(name uncertain) who also represented NPAC.

EMMA DUVOVNICK - BETTY GANNETT Chapter of Brooklyn Communist Party - she sat between two other older women - one named DONNA or DONA and the other named LOLAH or KITTY FINE (name uncertain) DONA is from a trade union group and Mrs. FINE was representing a "Federation of Jewish Women" (?) some name similar to that.

NW 53709 DocId:34385514 Page 114

Other groups represented were:

High School Abortion Committee, Brookline, Mass.
Third World Coalition, Veterans of A. Lincoln Brigade
West Side Peace Coalition
Washington Heights Peace Coalition
Alumni of A. Lincoln Brigade

Also a group called People's Party or People Power or some such name. It's representative was a fellow who called himself LAWRENCE MORAN. MORAN seemed to be erratic in speech and thought, with accompanying jerky physical movements. He described his group as only being interested in disruptive, and CD actions and seemed pleased to learn that he and his group would be more than welcome in Washington. The impression was that they would have some nice plot ready to perform Saturday afternoon and evening.

There were a number of people who signed the register with CP (Communist Party) listed as their organization.

After introductions PAULINE ROSEN, made a brief speech on the increased bombings, some dialogue on the evils of tricky DICK (NIXON) and then got into the agenda.

She asked ABE WEISSBERG to tell the plans and he did as follows:

Saturday A.M. - 4-15: Meetings and reports to be held in a church - name not disclosed as yet.

NW 53709 DocId:34385514 Page 115

Speakers to be: DAVID LIVINGSTON, trade unionist just returned from Hanoi will be speaking re: his conference with LE DUE THO. Also, MARCUS RASKIN who was part of a delegation to Paris with RALPH ABERNATHY and a nun from Denver. The purpose of this delegation is to "keep communications open with the North Vietnamese now that the peace talks are suspended." RASKIN will speak on the outcome of his Paris trip. The other announced speaker will be NOAM CHOMSKY.

Saturday P.M. 4-15-72 - at 2:00 p.m., will be a mass demonstration - the theme of which is "Bodies On The Line." This will be a CD action at the White House and Lafayette Park. Several people protested that the demonstrations were always aimed at the "hard" side of Washington, namely, the White House. The were pleased when they were given permission and welcome to perform their own CD actions at the "soft" side, namely: U.S. Capitol - homes and offices of Senators and representatives, various government buildings (names undisclosed). It was stressed that people who were "Committed" were wanted in Washington. The sponsors and organizers were not interested in numbers of people as much as they were interested in commitment. There would be some supportive action planned for those who did not choose to be arrested.

WEISSBERG stated this week-end was entitled "Action Confrence", and as such there would be planned activities for Sunday also. This will consist of workshops. The PCPJ is planning workshops and have not announced types of workshops or place they will be held as final plans have not yet been formulated. RALPH RICHARDSON (fat Irishman) wanted to know how or if he could set up a workshop. Most likely he was wanting one for IRA. He was told to get in touch with WEISBERG. It was announced that buses would leave at 8:00 a.m. from Union Square and return Saturday p.m., price $10.00. Also a person could arrange to return on Sunday p.m., for an additional $2.00 fee. Five cars were reserved on a train leaving New York at 8:00 a.m. and returning Saturday p.m. Price will be $15.00 overnight accomodations will be provided for those staying over Saturday nights.

NW 53709 DocId:34385514 Page 116

This next item of business was "T.D.A.'s" . This stands for "The Day After." The idea is for each group to be so well organized and even choose a place to demonstrate - in the event we have a 'Cambodia", "Kent State" or any thing that must be protested we can call our people on a moments notice. You might say it's like when reserve troops are called up in an emergency." (Quoted by PAULINE ROSEN).

It was decided that the group should train for a TDA and after much debate: The practice TDA will be held Wednesday, April 12 at 4:30 in Times Square to protest increasing bombing of North Vietnam. This is to be held after the WSP March and Lie-in that A.M. at ITT. Between 60-70 people attended - all agreed to support the April 12th TDA.

Other suggestions for future TDA's were:

South Vietnam Permanent Observer to the U.N.
Humphry Headquarters
State and/or National Republican Headquarters
Turn over Wonder Bread trucks - COCA CRYSTAL
Local Boro Actions
Pt. Authority Terminal
Federal Plaza
FBI Headquarters
City Hall
Senators and Congressmen's Homes and Offices, New York City
Wall Street and many more.

The next item was the announcement of the spring calendar and events which were being recognized by the Fifth Avenue Peace Parade Committee.

NW 53709 DocId:34385514 Page 118

More if needed, (37th, 36th, and infinitum????) At this point the 4-22nd rally was discussed. Fellow named BOB (?) CHANEY said NPAC had letters and support from C. Councilmen and New York City lawyers. Said local politics aided in getting police permits. KATHY SOJURNESS (Name uncertain) said NPAC was doing intensive organizing of sympathy demos in Europe - said NPAC had representatives in Europe who had already organized demos in 12 countries including West Germany, Belgium, Sweden, Switzerland, and 70 cities in France. Said another rep. was leaving on Monday (4/10/72), to help organize. Said the European rallies were to be held either 4-15 or 4-22-72. Very unclear, datewise.

ABE WEISSBERG stated that PCPJ would be involved in the 4/22 NPAC event to the following extent:

Posters will say: "All troops and material out of Vietnam." "Withdraw Support....." "Free Angela + 1 or 2 others plus individual and group identifying signs.

PCPJ and Vietnam Peace Parade Committee will march together (as much as possible) and they have not yet decided whether they will assemble in a specific place or not - yet. Also PCPJ will sell buttons and use collection vessels.

After discussing April 22nd some other minor items were discussed.

Third World Coalition wanted to know why the 'cause' (peace movement) wasn't stressing the more positive aspect in demonstrating, i.e., the Vietnam War is a "war of liberation", TW Coalition felt that the peace movement still hasn't dealth with the question of Imperialism. P. ROSEN answered: "I agree we haven't dealt with question of Imperialism, we have some people who will now let that dirty word cross their lips and others who are just realizing that Americans are Imperialists".

NW 53709 DocId:34385514 Page 119

She also said that under the circumstances American peace people have come along way when they finally see and admit their government is imperialistic.

Also discussed was trade union involvement in the peace movement. A sub-committee was formed to stimulate more activity in that sector: IZZY KAHN, Convener; ABE WEISSBERG, DONA, AARON WOOL, and AL EVANOFF (hopefully). IZZY KAHN mentioned that several trade union groups, at AL EVANOFF's urging were working on a National Peace Convention to be held in St. Louis or Chicago at the end of April or sometime in May - no set plans as yet.

The meeting was adjourned by PAULINE ROSEN at approximately 10:45 p.m. with admonition to all to get busy on April 12th in New York and April 15-16, in Washington, .

April 19, 1972

On Saturday, April 15, 1972, the anti-war demonstration scheduled to take place in Washington, D. C., began at approximately 10:00 a.m. at St. Stephens Church, 16th Street, and Newton Street, Northwest.

The meeting in the church served two purposes: as a press conference and as the kick-off for intensified anti-war protest--two people chaired the meeting:

Cora Weiss and Sidney Peck=P.C.P.J.

Both Cora and **Sidney** alternated in making announcements, short speeches and introducing speakers. Some of the speakers were:

Senator Mike Gravell: commended the weekend protest and gave a short inspiring speech in regard to his bill with Representative Drinon to cut off funds for war in Southeast Asia in order to end war. He left early in order to catch a plane.

Sister Elizabeth McAlister: recently of Harrisburg. Spoke of jail experience and trial--and necessity to continue the fight for Peace and Justice. Platitudes. The audience received her warmly.

James Herlihy: author "Midnight Cowboy", short speech. approximately one hundred words--audience was moved.

Mike Weddle: VVAW--Boston Ad Hoc Military Build-Up Committee, Cambridge, Massachusetts. Told of his new committee: only three weeks old, has active-duty military contacts (sympathetic and members of VVAW) on most military installations around the world. These contacts call Boston and give reports of troop movements on their individual bases. The Ad Hoc Committee then puts them all together and can see just what kinds of unusual troop movements are happening. The purpose is to predict any escalation in war.

NW 53709 DocId:34385514 Page 126

In addition, he revealed the latest "hot scoop." A contact at Hickam Air Force Base, Hawaii, had called at 1:00 a.m. (April 15, 1972) to report plotted bombing targets of Hanoi and Haiphong Harbor. (Phone call received Boston, April 15, 1972). It seems that the 548 Section (or Division, Battalion?) has seven men in the target room who report any new bombing escalation to another person or persons who in turn calls Boston. Weddle stated that a short time ago Hickam had gone classified and the men on base were given opportunity to request transfer without reprisal. It seems at least five airmen did transfer and VVAW is waiting to contact them. Weddle stated that details of unusual troop movements and escalation would be passed on to the Peace Movement as received.

David Livingston: trade unionist leader (District 65?) recently returned from Hanoi--spoke of trip to Hanoi--of great courage of North Vietnamese peoples--his speech aroused emotion in audience. However, he did not advocate a halt in bombing--did not ask for re-opening of Paris Peace Talks, but only spoke of a united class action against the war. Livingston tends to convey communist ideology in a very subtle way.

Marc Raskin: recently returned from Paris where he was a member of a delegation sent to maintain the communication lines with North Viets during the halt in Peace Talks. His speech did not come across well--the audience and press were noisy and sound system was acting up. Hopefully, for his purposes, he was able to communicate better in Paris than he did in Washington.

Noam Chomsky: professor M.I.T., gave a long speech regarding history of Southeat Asia, American involvement and gave a logical build-up to why we should get out. This was a mini-teach-in.

Ruth Gage Colby: Appeared to be a Trotskyite. She spoke in support of April 22, 1972 anti-war protests and told how there would be protests in many places. She was largely ignored by P.C.P.J. people and cut her speech short--there seemed to be a lack of audience response.

NW 53709 DocId:34385514 Page 127

Jane Dudley: was called to the stage by Cora Weiss, who introduced her as the mother of a Prisoner of War (POW) in North Vietnam. She made no speech but had a seat on dais as an honored guest. She later stated privately she has been working for Business Execs Movement (BEM) for less than one month. She also stated she has been renting an apartment at the Woodner Hotel and was considering taking a one-year lease. She has a condominium apartment in Hawaii which seems will be available to some people in peace movement while in Hawaii.?? Latter was implied not stated.

David Dellinger: stated he was recently discharged from hospital so would be unable to march to Lafayette Park. Stated he planned to be arrested. Gave the most objective presentations of the day, i.e. stated pros and cons of arrest and went to some length to make people feel confortable even if they didn't want arrest. Made very clear his reasons for wanting to be arrested. Felt that type of protest (C.D.) was only way--war had gone on too long etc. Whereas other speakers mentioned or intimated guilt on part of individual who wanted to avoid arrest, Dellinger stated that committing C.D. was a clear choice on part of person, and it was meaningful only if that person was aware of his actions and the resulting consequences. He made arrest seem honorable, and implied courage on the part of protester who submitted to it. Dellinger allowed a young male student (late high school or early college age) speak on why he (student) planned not to post bail. This kid stated--he didn't have money and also that people would be more impressed if they (arrestees) remained in jail. Dellinger then took mike again and said people shouldn't feel guilty regarding bail--Movement needs bodies on outside--not sitting in jail--but people still have a choice and can make own decision. A man named David Scott got up and gave a short fiery speech to rev the crowd for action. He then led one or two protest songs. The audience participated, but it was kind of sad. Scott was an old man and his efforts to communicate with some were lost. One might say he was not appreciated and evaluated on basis of his age versus his enthusiasm.

Dellinger then took microphone and gave last minute instructions for march and rally. A group of twenty-five to thirty marshalls had been instructed in the church basement in

NW 53709 DocId:34385514 Page 128

a.m.--also the criteria of peaceful demonstration was stated. It was emphasized that we were to be non-violent. Telephone numbers were given for arrest and legal information and medical help. Arrest sheets were distributed and people were told what going to jail involved. Dellinger then gave the crowd his blessings and the meeting broke to outside where the march line was forming.

Other faces in the group at the church were:

Trudi and Ron Young--Trudi used to work in WSP National Office and Ron is in FOR (?). Also Ron's parents were there and he introduced them to Cora Weiss. It was Mr. and Mrs. Young's first demonstration.

Tom Hayden--California(?)

John and Ann Froines--Boston(?)

Rennie Davis and Susan Schultz

Debbie Pratt--wife of John I.(?)

Bob Leverig--New York City (?)

Mary Wright--WSP--formerly of Philadelphia, recently moved to: 102 Cameron Mews (Old Town), Alexandria, Virginia, 22314.

[redacted]

Anne Balsan--WSP--New York City--Bronx Citizens for Peace.

Fred Branfman--P.C.P.J.(?) Project Air War--

Steve Scher--Vietnam Peace Parade Committee and P.C.P.J. went around with a "Staff" label on all weekend.

When the crowd left the church at 12:30 p.m. (it was approximately that time), rain was falling steadily. About two thousand people formed a line on the sidewalk, three abreast or four, and it was five to six blocks long. Marshals with loud speakers and bullhorns kept people marching and smiling.

NW 53709 DocId:34385514 Page 129

They led singing and kept people marching along and stopping at traffic lights. The D.C. Metropolitan Police were out in full force. Motorcycle squads followed the route and plain-clothes people were observed throughout the day. The marchers were also accompanied by several Mobile Crime Labs and were routinely photographed--sometimes police in uniform were snapping cameras.

The crowd moved steadily and if there was any one gathering point it was at that point in the march where Cora Weiss happened to be walking.

Cora seemed to stay with Jane Dudley and Anne Balsan consistently, and other well-known figures came and went, as the crowd walked down 16th Street, Northwest, from Newton Street to Lafayette Park.

Some of the people who held extended conversations with Cora Weiss were:

Tom Hayden: There was a quite involved discussion regarding the Boston Ad Hoc Committee and how their findings could be used for the P.C.P.J. and also the Committee of Liaison. Cora suggested to Tom that perhaps these same G.I. contacts would be used to obtain POW data, e.g. number of planes shot down, if G.I.'s actually knew whether a buddy was killed or was missing, etc. In this same vein, it was suggested that figures from Ad Hoc be compiled and mailed to G.I.'s and VVAW on military bases with the idea stimulating additional data input. This lead into a discussion regarding 32, B-52's supposedly already lost in the North--Cora asked how many crew members on a B-52--Anne Balsan said six--Tom said ten to twelve and Cora thought twenty-one. From this and other discussion (i.e. size of bombs loaded on a B-52) they were trying to determine if and how many possible survivors could now be POW's. At this point, Rennie Davis and Susan Schultz came up and joined the conversation. They did not know number of crew either.

The conversation then switched to Cora's husband Peter Weiss, and his recent failure to win an appeal to Illinois Supreme Court. It seems that during the riots at the 1968 Chicago Democratic Convention, Peter was arrested for "walking

NW 53709 DocId:34385514 Page 130

across a street." Since that time, the case has been in and out of court. Peter was fined $500. Cora said the bad thing about it was (even worse than the fine) was the precedent set for future people who are arrested on the same charges.

Tom was talking about programs to stimulate anti-war activity and Cora mentioned a girl's name (could have been Barbara) who had made a trip to Hanoi and had gone for several days to Laos--had taken a lot of film--movies and stills. Said this resource could be used for Toms purposes.

[redacted]

Only two things were certain: Hubert H. Humphrey and California--it could've been anything. The second rumor also involved California, and this one was that the Republicans were seriously considering moving their convention from San Diego to Miami, because of the ITT scandal.

[redacted]

Cora discussed plans for the ITT stockholders meeting at which several resolutions were to be presented. It seems one plan was to have ITT tell what types of defense contracts they currently owned. There was discussion regarding ways to get individual stockholders to let Cora and/or someone in the Cause vote their shares for the resolution to reveal defense contracts. Rennie told Cora he had just gotten information on a lot of ITT defense contracts from "private sources" and had written a memo on it;said he would make a copy and give it to Cora. She was elated and said she was trying to become an expert on ITT. There was a lot of small talk in all conversations, i.e. Susan Schultz was thirty y.o. on four - fifteen, talk about police and observers on parade route, comments regarding other demonstrators--talk of meeting at church etc. The latter and following are highlights of important conversations on policy and future plans etc.

NW 53709 DocId:34385514 Page 131

John Froines--Cora seemed surprised to see him here--she went over the same comments as with the others regarding the Ad Hoc Committee and Peter's Trial. John came up and Rennie and Tom were still in that section of the march. When those two moved out of earshot, Cora remarked that she thought the three of them were good friends but didn't have that impression today? Tom replied that just because he had a trial with them did not necessarily mean he was close friends. Lot more small talk and he moved on.

Debbie Pratt--Cora had a very intimate (low tones) conversation with her. After the usual small talk, they got into a discussion about what was going to happen if the war should end? Cora said, "We absolutely have to be ready!" "We have to have peace programs ready to go--repair of buildings, new schools, hospitals, jobs for those people." It was implied that "Those people" were the North Vietnamese, but could've been the SouthViets, Laotians or anyone. They were not discussing a program of pacification so much as they were discussing a possible choice for an executive director to get the project going. Debbie suggested a name, and Cora said, "He's got a nice comfy job. Would he want to leave that nice easy money for something like this." Debbie said she would talkto him. She then moved off.

By this time, the marchers were within three fourths of a mile of Lafayette Park and all serious discussion ceased. There was still some small talk. Just before the Park, Anne Balsan was overheard discussing Mr. and Mrs. Young's first demonstration with Trudi Young. Anne told Trudi that her (Anne's) parents participated in peace work for a first time too. They wouldn't go themselves but would finance her way. Anne asked her father if he would go so far to send her to Paris--she said her father agreed so long as she was sure it was necessary to end the war and not a wild shopping spree. They both laughed.

When the marchers reached Lafayette Park, there was approximately two hundred to three hundred protesters waiting. Most of the crowd who anticipated arrest went to the front of the park directly across from the White House. CoraWeiss,

NW 53709 DocId:34385514 Page 132

however, stayed near the other end (near 16th Street and H). At this point, it was approximately two p.m. She (Cora) was having a conversation with Fred Branfman shortly after entering Lafayette Park. He had an early proof copy of his new book, "Voices From the Plain of Jars," which is being published by Harper. They were discussing Fred's fears that Harper would not give his book enough publicity, and Cora said, "Fred, I told you to use a small publisher." At approximately 2:30 p.m., the group from New York City arrived. It seemed they had gotten to Washington and in the confusion, had gone to the church, thinking that the marchers would wait for them. Naomi Komorowski, Bronx Citizens for Peace and Justice, was noticeably put out that she'd missed most of the action. Among the group that talked to Cora Weiss, Jane Dudley, Anne Balsan and Fred Branfman were: Abe and Debbie Weisburd, Lynn from Vietnam Peace Parade Committee, Ruth Nash, Naomi Komorowski, Martha and Izzy Kahn and Pauline Rosen. The group was in general conversation for some minutes and then most drifted off to see the demonstration.

Cora, however, had taken Pauline Rosen aside and was talking to her. She had told the group earlier what they'd missed in the way of speeches and she again emphasized the 548 Battalion (Squadron?) at Hickam Airfield. She began to give Pauline a stern lecture, regarding David Livingston and his trip to the North (Vietnam) and Hanoi. Cora was furious and it appeared this was her first opportunity to rip off Pauline. She said, "I told him (Livingston) not to go. When I tried to make the arrangements with Hanoi, they said not to send anyone now. Not for at least two weeks, as they could not guarantee anyone's safety at this time, and I also said they were not prepared for a group of unionists. But that G__ D___ Bastard, he thinks (Livingston) the reason I told him not to go was personal. When Hanoi says no, I go along. I never ask questions, I accept, I know they wouldn't say no unless they had a good reason. My God, Pauline, I spent over $80 in transatlantic phone calls when they were over there. It's nice and well and good that the union can afford to pay their way, but you don't see them offering to pay my phone bill when I had to straighten out the mess they made." Pauline says, "Now calm down, Cora." Cora says, "You try and act like you're not involved--well let me tell you something!" The whole impression was that the Union and Pauline had in some way tried to sabotage Cora's work with Hanoi. Cora then told Pauline she

NW 53709 DocId:34385514 Page 133

thought the only reason that Livingston insisted on going with his group before Hanoi was ready was so that he could say they'd gone on a peace mission to Hanoi when speaking at the time of the April 22nd, New York City demonstration. By saying this, she implied that the trade unionists wanted to be identified with NPAC--this, in Cora's eyes, is despicable.

About this time (3:00 p.m.), the U.S. Park Police were declaring the crowd illegal and were warning them to get out of Lafayette Park. Cora said her father-in-law was 83 years old today and also she had to go to a Fiftieth Wedding Anniversary in New York City. She left with Jane Dudley (who looked very tired). Cora said she was going to the airport. Before leaving, she tentatively agreed to meet with Pauline and/or Naomi Komorowski for lunch sometime the week of April 17, 1972.

Many demonstrators cleared the Pack and were standing on sidewalks around the Park. After the police had gotten the arrests well under way in the Park, they came with their horses and drove the sidewalk people into the street at 16th Street and H Street. Following this move, there ensued loud verbal exchange between the police department and the people. People said they were driven into street so could not be arrested. Police reinforcements kept arriving and gradually the crowd was moved to 16th and I Street, and then up to K Street. It was here that arrests began to be made. One cop tried to arrest a kid by the airline company (kitty--corner from Sheraton-Carlton Hotel, 16th and K) and girl hit the cop with a V.C. flag, cause police were beating up kid. Police cracked kid's head open and twisted girl's arm so hard she was screaming in pain. One boy was hit several times by police and then dragged semi-conscious almost one block to bus. In the process of dragging him, his dungarees were pulled down exposing his backside to what appeared to be severe concrete burns and abrasions. It appeared the police were looking for a fight. The crowd had been standing quietly at the park before.

Finally the crowd decided to move to ITT Headquarters at 17th and L Street. On the way, students set two trash bins afire and the Fire Department came immediately. The P.C.P.J. people with bullhorns said it was trashy to light fires and be

NW 53709 DocId:34385514 Page 134

violent. If people wanted that kind of action, they could go elsewhere in Washington and do their thing, not here.

After marching at ITT for a while, the police then moved the crowd to action and told them they'd have to move on. When the group decided to march up to the Vietnamese Embassy up near 23rd and S Streets, many of the New York people declined to go. Anne Balsan was talking to Marta Daniels, Opposition Air War, from Connecticut for twenty minutes. The New York delegation, Weisburds, Kahn, Nash, Rosen and Komorowski, disappeared after ITT.

The remainder of the crowd walked up 18th to Connecticut past Dupont Circle--to Massachusetts (?) over on Q Street to 21st--and/or some way. The police were there and the crowd was stopped on R Street near Florida. They proceeded to demonstrate for some time and gradually the crowd dispersed about 5:30 p.m.

On Sunday, April 16th, the planned National Anti-War Conference was held at American University at the Ward Circle Building, on Connecticut Avenue, above Ward Circle (off Foxhill Road).

The conference was scheduled for 10:00 a.m., however, at 10:30 it was only getting underway. Several hundred people were milling about, getting literature tables set up and gradually the workshops began. Those observed from New York City were: Abe and Debbie Weisburd, Lynn and Phyllis of Vietnam Peace Parade Committee, Sid Peck of P.C.P.J. and others who will be mentioned later.

One of the workshops was entitled "Armed Forces Day." It began at about 11:00 a.m. with an airman from Bolling Air Force Base named George or Paul (?) leading. He was into a whole communist-socialist rhetoric for at least half an hour. He spoke of different actions that had occurred and mentioned several incidents at German/U.S. military installations. These so-called "actions" were either overt or covert, not clear. What was made clear was that oppression by military was a result of society and the ruling class. He kept reiterating that we need to get rid of Capitalist Society. The ruling class in the military was trying to flood Germany with Black officers--so not only were the "pigs" forcing their

NW 53709 DocId:34385514 Page 135

class society on G.I.'s, they were becoming racist pigs as well. His ideology, philosophy and politics were very confused, but his vocabulary was perfect. He knew all the words to raise people's blood pressure.

Finally one fellow, from Richardson Air Force Base, objected. His name was Dave Bednark, said he was in VVAW and gave his address at 306 West 39th Street, Kansas City, Missouri, 64111. It is thought this is the VVAW address in Kansas City, Missouri. Bednark wanted to know what was being planned for May 20th, said he didn't want to hear any more G__ D___ communist or Trot talk [redacted] It was then stated that armed forces day actions were being planned (VVAW actions) at Westover, Travis and Pease Air Force Bases. The actions involve picketing and petitions (unknown what either is for--probably stop the war).

On Wednesday night, April 18th, a drug program and information on the C.I.D. and O.S.I. was planned at one base, it might've been Fort Meade. One guy was there from Fort Meade. His name was Mike Coffman and he gave an off-base address also as he was afraid of reprisals and censorship. His address is: 1724 20th Street, Northwest, Washington, D.C., 20009. This address is also believed to be address of "Open Sights," an underground G.I. newspaper which he actively works in writing and publishing.

Another guy was there from Bolling Air Force Base. He was very queit and only gave his address, appeared interested in receiving mail etc. from other bases. His name was Joe De Martino, [redacted] PSC 2, Box 1463, Bolling Air Force Base, Washington, D. C.

Another girl was there from Colorado whose name was: Mary Margaret Gingerich, gave her address: Inst. Mtn. West (?), Lowry Air Force Base (?), 2096 Emerson Street, Denver, Colorado, 80205.

Another girl was there from Dix-McGuire. She tried to act like she was on base, but it was later learned she works in a "project." (legal counseling, anti-war center?) approximately three blocks from Dix. Her name is Lisa Schiller--

FOIA(b)(6)

NW 53709 DocId:34385514 Page 136

her telephone number at the "project" is : 609-723-4470 . She stated that several people came back and forth regularly to New York City and the person to contact in New York City regarding Dix activities was: Bart Lubow: 212-666-5842 telephone.

Dave Bednark gave a report on a Midwest VVAW conference he had attended recently outside of St. Louis, Missouri, in a tiny town called: Ruma, Illinois (?). The group met in a placed called "Sisters of the Sacred Virgin Mary's Blood," ??? Some name similar. He seemed to be very enthusiastic about reports he'd heard of VVAW activity at the following bases: Wright, Patterson and Forbes. He gave the address of Camp News, 2801 North Sheffield, Chicago, Illinois, as the clearing house for military news.

Lisa Schiller also stated that a group was operating in the Bronx called: On the Move, 51 Buchanan, Bronx, New York, telephone 220-0427. Two people: Mike McDermott and Susan Bennett, have supposedly opened a storefront in the area of 184th Street and Grand Concourse. The purpose of this group is unknown. Lisa also said that Dix would probably have Open House on May 20 and there was always the Metroplitan New York Armed Forces Day Parade. The plan for Armed Forces Day really seems to be: Spread lots of rumors regarding large anti-war demonstrations so the military pigs will guard their bases and be forces to cancel rallies to support their glorious and bloody wars. (?) This sounds Communist Party (CP)or Socialist Workers' Party (SWP) rhetoric.???

Dave Bednark suggested a four-point program to follow on Armed Forces Day actions:

1) Complete and immediate withdrawal from Indo-China
2) Scrapping of UCMJ (Universal Code Military Justice)
3) Free all political prisoners
4) All rights to G.I.'s

These four points were well-received by the twenty or so people in the room. Bednark said privately that he was going back to Richardson Air Force Base in his general's private plane. He was to go to Andrews Air Force Base to meet him and get a free ride back.

NW 53709 DocId:34385514 Page 137

One other item mentioned (by unknown person) involved Norwood, Ohio, where auto workers are striking an assembly plant. It was suggested that military VVAW in the area get together with them and offer to exchange personnel for pickets and demonstrations.

At about 12:30 p.m., the workshops broke up--other workshops involved: G.E.--Honeywell--three-point program, Labor, Scientists Against War, The Ireland Question (led by Ralph Richardson, New York City, VVAW), April 22 and others.

Sid Peck opened the meeting (he moderated all afternoon) with an announcement that the Washington,D.C. people were to meet "next door" to plan an emergency action to protest the Bombing of Hanoi and Haiphong Harbor. The agenda was read:

Jail Situation
Indo China
Action dates
Response Tonight in Washington
Individual additions (with S. Peck's approval)

The jail situation was that between nineteen and twenty-one people were still in jail. Put donations for bail in bucket at the back. Tremendous amount of money already paid for bail.

The main speaker on the Indo-China section of the agenda was Fred Branfman of Project Air War. He started by saying Nixon had said he wouldn't bomb Hanoi or Haiphone Harbor. Said Nixon's priority is on winning the air war more than election. Said U.S. has bombed Hanoi in past three years but only in certain areas. Now bombing in previously prohibited areas.

Statistics on B-52's: One hundred in Johnson Administration. Nixon has one hundred fifty now. Carries 30 tons of bombs. Each strike devastates area one half mile by three miles. Each bomb leaves a crater thirty feet deep and forty-five foot diameter. Stressed that we bombed Hanoi at night. Then gave some figures from Cornell Air War Study of 1967 regarding civilian casualties. Mentioned Pentagon Papers--Joint Chiefs of Staff pressuring Pentagon to bomb Haiphong.

NW 53709 DocId:34385514 Page 138

Said military expects more civilian casualties. Bombing is not for military reasons, but to terrorize people and break their will to resist. Haiphong was going to hurt Nixon at Polls. Fred was concerned regarding POW's. Said North Viets do not mark POW camps and a B-52 could easily kill boys in POW camps as well. Also spoke on tactical nuclear weapons and gave U.S.S.R. and U.S. foreign aid figures to Southeast Asia.

The announcement was made to go to Rock Concert at George Washington University and rally support for evening protest.

Susan Schultz then spoke briefly on the need for a nation-wide moratorium after the April 22nd demonstrations. Suggested May 4, 1972. Not sure.

Several people from Michigan and California spoke on the three-point program.

A representative from Young Workers' Liberation League (YWLL) spoke on need to involve people--particularly working-class people in the anti-war movement.

Dan Hayden, Des Moines, Iowa , stood up and gave a few words on his jail experience.

Announcements were made regarding May 4th Moratorium--Call (In Washington,D. C.) 202-785-1535. Also National Student Alliance (NSA) Office. Protests will be centered around Federal buildings in each city. No business as usual--local guerilla actions etc.

IMPORTANT: adequate press coverage and use only established communication networks to pass word i.e. do not set up New Peace Groups, it's too late, use existing structures. Also try to gain sympathy of liberals. (??)

The meeting broke up at approximately 3:00 p.m. with many participants heading for 14th and K Streets to leaflet for 9:00 p.m. rally in Georgetown and others to George Washington University to leaflet at rock concert for same 9:00 p.m. rally.

NW 53709 DocId:34385514 Page 139

Other announcements were one by VVAW--Ralph Richardson--who told story of Operation Rolling Thunder II--said this is code name for escalation used by Johnson and Nixon. Also announced that VVAW expected between five hundred to one thousand Vets in Washington, to Capitol Steps in next thirty-six hours for Operation Rolling Thunder which would be similar to Dewey Canyon of May, 1971.

It was also announced that movement people should boycott Fedder's products as they have defense contracts which are being investigated. It is believed that person making announcement was a trade unionist.

An announcement was also made regarding the Welfare Rights Meeting at Howard University.

April 29, 1972

On Tuesday, April 25, 1972 the Vietnam Peace Parade Committee met to plan for the May 4th Moratorium. The meeting was held at 13 East 16th Street and was scheduled to begin at 7:30 PM. However, at approximately 7:15 PM eleven people overloaded an elevator and were stuck between the first and second floor until almost 8 PM. The meeting began at approximately 8:20 PM after most of the people climbed eight flights of stairs.

NORMA BECKER chaired the meeting and read the Agenda as follows:

1. May 4
2. NYC - for May 4
3. May 10th ITT
4. May 20th Armed Forces Day - Mc Guire AFB.

After reading the agenda she gave a brief talk on the situation at Columbia University riots and made a comment on police brutality. She urged everyone to flood President MC GILL, 60 Morningside Drive, NYC 10027 with letters of protest. She also said there would be a rally at 9 PM (April 25th) to discuss future strike action and said the Vietnam Peace Parade Committee is publicly supporting students at Columbia.

She then went on to discuss future plans for May 4. Tentatively scheduled is a rally at the Federal Building, 26 Federal Plaza, NYC, from 12- 2:30 PM. Permits had been applied for: May 4, 1972 from 8 AM to 4 PM. The rally was planned to from 12 to 1 PM tentatively, with speakers, not yet confirmed. Some names mentioned as possible speakers were:

DAVID DELLINGER, MARY CUTCHIANO, ELEANOR HOLMES NORTON, BELLA ABZUG, ROBERT ABRAMS (Bronx Boro Pres.), PERCY SUTTON, DAN BERRIGAN, BILL KUNSTLER, CHARLES GOODELL, MC GOVERN, (GEORGE MC GOVERN only approached thru his staff) Bishop MOORE, TENNESEE WILLIAMS, (Broadway stars)?, DAVID LIVINGSTON.

NW 53709 DocId:34385514 Page 144

She said a dozen or so telegram tables were planned with a large, blown up telegram to NIXON on each, with a message (end the war) to NIXON. Money would be collected for telegrams.

Suggestions had been made, NORMA said for various actions, e.i. a kind of March Against Death, picket line with anti-war placards with names of towns and villages bombed in Vietnam. These placards would then be deposited on the steps of the Federal Building. The Bread and Puppet theatre is planning some kind of guerilla theatre. The option is left open for people to participate in a lie-in or some other form of civil disobedience. "It should be understood that any person committing CD risks arrest".

NORMA BECKER also announced she had received a phone call from OSSIE DAVIS, of Federation of Social Service employees who said he and his group wished to co-sponsor the May 4th Moratorium.

CAROL SIMRO of United Farm Workers said her group had an action prepared and were waiting for a demonstration - this action is: in support of the lettuce boycott and to show opposition to the war, the UFW group will conduct a simulated bombing with scab lettuce, i.e. dropping or throwing heads of lettuce which represent bombs.

At this point ANN FLORINE of WILPF - Women's International League of Peace and Freedom spoke and said there were too many "actions". "We should pick one and do it".

PAULINE ROSEN - Women Strike for Peace - wanted to have a lie-in as part of action and also picketing. She thought the most important thing was to get information to workers: first info on May 4 Moratorium and 2nd to get info to workers in Federal Building re war in Southeast Asia.

During entire meeting members of NPAC were constantly asking for the floor to gain publicity for a city-wide meeting on April 27th to plan for a demonstration on April 29, and also for May 4, 1972. NORMA BECKER kept cutting them off and an obvious rift (the old wound) reopened between NPAC and PCPJ.

NW 53709 DocId:34385514 Page 145

KATHY SOJURNER of NPAC retorted each time. NORMA then said NPAC refused to endorse May 4th and KATHY said (shouted) "We are supporting May 4th and we are also participating in a press conference prior to April 29th". This last mini-battle was end of Agenda item number 1.

Local Action - Number 2 on agenda: It was announced by NORMA BECKER that an "ad hoc committee" was meeting tonight to work out a plan to combine the war with city problems from 5-7 PM. This group hoped to be able to air city problems at anti-war meetings and combine anti-war protest with city meetings. She also said Einstein College of Medicine would be closed on May 4th and students would be able to participate in the moratorium.

MARTHA KAHN mentioned a former rally of workers. This seemed to be a worker-student demonstration at City Hall which protested its way up to Bryant Park. She expressed hope that same could occur this year. MARTHA is from Women Strike for Peace.

ABE WEISBURD spoke about the "proclamations" to be made by the Boro Presidents (presumably SUTTON and ABRAMS) for May 4th. He also stated that the Parade Committee promised (in return for the "proclamations") to keep the first hour (at least) peaceful and legal.

WILLIAM - large, fat black boy, well known to NORMA BECKER and others said: "Some group should take responsibility for CD action, not expect crowd to risk arrest".

BERNICE - I think from Women Strike for Peace said the idea of a Moratorium should be on going, should build - we should appeal to workers in the Federal Building to join us. "People aren't going for candlelight parades anymore!!! Pick a building (in Federal Plaza) and shut it down!!"

ANITA BENNETT - seemed to be from NPAC made a short speech re: the student conference held April 23, 1972, something re: Amalgamated Clothing Workers, NYU Washington Square Park on Saturday (April 29th) and tried to relate the April 29, 1972 event as an organizing tool for May 4, 1972. NORMA BECKER shut her down. After this bit of sparring...

NW 53709 DocId:34385514 Page 146

MORRIS GOLDEN of LEMPA (Lower Eastside Mobilization Peace Action Committee) stood up. He stated "We need a new approach". The natural reaction of people to bombing is to be against it. We need to use people's natural reaction to oppression by government. The idea he had seemed to be: Do something that is unusual but legal, get the government to deny citizens their rights and when they do - there is a good basis for protest. Example: He proposed that many people considered NIXON to be a war criminal, therefore get people to sign a petition saying this. Then take the petitions to Federal Court to try to obtain a warrant for NIXON's arrest. Citizens have a right to demand this warrant. It is a denial of our rights if we are stopped at any point in this process. This idea was widely debated and supported in the group.

Next a male from Pratt Institute stood up and said something about his school - his name was ANDY. Could not be heard well, most people were buzzing re: MORRIS GOLDEN's idea.

COOKIE, girl(?) in military cadet-type uniform said she was part of group of women who were formerly with the Harrisburg Defense Committee. It now seems they are a Quaker Womens group. Anyway they dress up as female Vietnamese death spectres, and lie down and shout out the atrocities committed on their bodies by American GI's. She said they plan to leaflet in large department stores on 5-4 in favor of a boycott on women's clothes (prices, styles), however, they would volunteer to do their ghostly nightmare trip if the group thought it would fit in. The "group" seemed to think it might.

REED WALCOTT female of Westside Peace Coalition felt meeting was not on subject. She proposed: that group get to specific discussion of Foley Square and post-demo activities.

STEFAN POSNER - New School Peace Coalition said his didn't want to hear any more speakers. Action speaks louder than words.

DAVID NESS of Teachers Action Coalition gave an opinion on this.

NW 53709 DocId:34385514 Page 147

Then a representative of the American Serviceman's Union (Vets and active duty GIs) were planning on action after 4:30 on May 4 as most GIs had to work that day. This person stressed: 70,000 unemployed vets in NYC area alone. These points should be raised on May 4.

ABE WEISBURD gave a short blurb on Vietnam Vets Against War planned action for Thursday, Friday and Saturday at the SAC base in Plattsburgh. No details were given.

BRAD LITTLE War Resisters League, said May 4 should be multi-tactical: Picket at 8 AM - build to mass rally at noon - one hour speeches, then announcements of militant actions, citizens arrests.

This inspired AL EVANOFF District 65 to go into a fiery speech. He said who will be going. May 4 should be an umbrella for a day of variety. However a time must be set aside for total peaceful actions could be expected. These unions will meet in shops, march out together to join in protest. Some will decide to stay for CD and others will go back to work. Confrontations Icare people. People not willing to risk arrest and losing jobs. He also thought a picket line was essential. Thought that no special interest groups should have more prominence than the other. We should depend on "Feed-in - Feed-out" type of action as we move through the day.

After this speech the following people made comments on the speech:

SARAH JOHNSON - New York Coordinating Committee NPAC. She said one sentence: re speech and then got into her own NPAC thing, i.e. May 4th is anniversary of Kent State, mentioned April 29 as a means to building a movement to May 4. NORMA BECKER cut her off.

PAUL MILLER - Citizens of Conscience. Student from Kingsboro Community College.

ERIC DITTAS - SMC fund raising committee for GEORGE MC GOVERN, he got into April 29, 1972 and NORMA cut him off.

NW 53709 DocId:34385514 Page 148

NORMA BECKER then named a committee to plan program for May 4th. REED (WALCOTT),ABE (WEISBURD), BRAD (LITTLE), MYRON (?), RICHIE (?), CHARITY (?), BEVERLY (?), MORRIS (GOLDEN).

LYNN DODGE Appleseed asked the group to make an announcement on May 4th at the rally for: a specific date for city wide, independent, unscheduled actions to take place (simultaneously).

JEFF SMITH NYU student spoke a few words about a rally planned at the Washington Square Campus area. Suggested his group feed into Foley Square.

PETER (friend of BRAD LITTLE) spoke about the May 10th simulated bombing at ITT at 3 PM front of 320 Park Avenue, NYC. Several sound systems, recorded noises of war will be played. "Bring cassette players and add to the din!" "Please call 228-0850 for more information".

BART LUBOW then spoke re: Armed Forces Day 1972 in Wrightstown, New Jersey at the Dix/Mc Guire (Army and Air Force Bases). The tone of the demonstration and the speed will be set by service people. Civilians are needed for support. There will be a 1 PM rally in front of gates at Mc Guire, i.e. speakers and guerilla theater etc. The group will then march along border (fence) over to Fort Dix. Ft. Dix is organizing and "inside" demonstration. People outside will back them up. Stated that GIs have great resistance to riot control.

A committee was appointed to help BART organize for May 20th: ABE WEISBURD, ANNE BALSAN, Bronx Citizens for Peace and STEFAN POSNER. ANNE BALSAN was selected because she'd attended the Armed Forces Day Workshop in Washington D.C. on April 16th. The storefront in Wrightstown, where underground GI press is, will do majority of planning of May 20th activities.

NW 53709 DocId:34385514 Page 149

ANNE BALSAN, gave a brief report on the Bronx Peace activities: telephone chain to White House on 416, letters to State Legislators and city councilmen re: current anti-war resolutions before them. The Bronx Week Parade is Wednesday May 10th and the Peace group will march. On May 4th, there will be picketing at the recruiting center on Fordham Road Grand Concourse from 12-3 PM. There will be a candlelight vigil from 7-9 PM on May 4, 1972 at this same place.

Then last, but not least, a gentleman from the Riverside Campaign to end the air war stood up and gave the toll free telephone number to call (NY residents only) for the army recruiting center, 800-631-1972. The group was asked to call this phone continuously so as to hamper recruitment efforts. The meeting adjourned at approximately 11:45 PM.

On Wednesday Nov. 28th the Nyc chapter of Women Strike for Peace held their monthly CSCC mtg, at 11AM at their office at 799 Broadway, 4th floor, Nyc.

Some of those present were Paulene Rose, Joan Schulman, Martha Kahn, Anne Braden, Shirley Magidin, Gin Simons, Clare Metzger, Mickie Mogulescu, Amy Swerdlow, Rita Hardeman, + about 25 more women.

The main discussions revolved about the upcoming December national steering committee meeting in Santa Barbara, Calif.

The Nyc group passed a resolution in favor of WSP becoming a national membership which it presently is not. Dues of $10/year were initiated, agreed upon; part of which would go to pay for the 'periodical' + $1.00 of which would go for local organizations.

The group also agreed to participate in the upcoming PCPJ petition drive of the Bring the Troops Home Campaign.

The rest of meeting was devoted to details surrounding the national mtg.

The World Peace Council (WPC), headquartered at Helsinki, Finland, is sponsoring a World Congress for International Security and Disarmament, National Independence, Cooperation and Peace to be held in Moscow, 10/25-31/73.

The World Peace Council (WPC) was formed at the conclusion of the second World Peace Congress held in Warsaw, Poland, 11/16-22/50, under communist initiative. It continues today, with headquarters at Helsinki, Finland, as a major international effort to discredit the United States.

[redacted] made available information on 10/24/73, that approximately 152 individuals departed John F. Kennedy International Airport (JFKIA), NY, NY, on Aeroflot Soviet Airlines charter flight SU 312A at 1:30 a.m., 10/24/73, for Moscow, USSR. (A copy of the seating chart is enclosed and the names are listed below. Do not refer to "seating chart" when preparing LHM.)

NY airtel, 10/10/73, set forth following Bureau instructions regarding delegates and invitees to the World Peace Congress:

"Offices submit travel memoranda suitable for dissemination under individual case captions on delegates upon whom there is sufficient subversive information to warrant investigations when they depart United States.

"The memoranda should be properly predicated if necessary.

"Include concise resume of subversive data and full description of the subject.

"Send LHM on those individuals invited to WPC, but do not attend the Congress under individual case captions. If no subversive information exists on delegate, submit names under WPC caption for indexing by Bureau.

"Advise Bureau status of investigation when submitting travel memoranda.

"Follow SAC letter 72-3 (C) regarding reporting procedures for subversive conferences, meetings and conventions.

NW 53709 DocId:34385514 Page 163

"New York will prepare comprehensive LHM on WPC."

The following is a list of names (as read by the NYO from the enclosed seating chart and as previously furnished by informants) of individuals who departed NY on the charter flight. Office of origin (OO), where known, is reflected. It is noted many individuals were sitting together such as relatives, same organization, or from the same area. This may help identify some individuals where OO is not reflected.

Receiving offices are requested to check indices in effort to determine OO where OO is not reflected. If origin is office not receiving this airtel, advise that office pertinent instructions and advise NY for information. NY will also check indices.

In the past, [redacted] has been able to furnish a manifest listing surnames of individuals who depart on Aeroflot Airlines. On 10/23/73, Aeroflot personnel declined to furnish a manifest for the charter flight carrying delegates to the World Peace Congress. Source was able to obtain the enclosed seating chart.

NY does not know if source will be able to furnish names of individuals who return to the US from the Congress. Delegates are scheduled to return 11/2/73, via Aeroflot charter flight.

LEADS

As indicated above, receiving offices prepare any necessary travel LHMs and review indices in effort to determine origin for delegates where origin is not reflected.

NY will advise appropriate offices any names of individuals, who come to the attention of NY, that return from the Congress. Comprehensive LHM will be prepared upon receipt of informant's report.

With shock and grief we mourn the untimely death of

MARTHA L. KAHN

— died Nov. 3, 1978 —

A life-long devoted fighter for peace, for a world free from racism and exploitation; a leader in the Chelsea Community and in the peace movement.

MARTHA KAHN

— November 3, 1978 —

— Beloved friend, comrade and Marxist teacher —

She was convinced that the noblest aim of education is to help all children realize every potential creative talent. She taught that every child is entitled to the basic human right to a fruitful, happy life in a world at peace. Guided by these principles she committed herself to this struggle and to the struggle for a world free from the blight of racism and war.

Death of Martha Kahn, active in Chelsea, mourned by many

NEW YORK, Nov. 13 — With the untimely death of Martha Kahn, Chelsea has lost a loved, activist and peace movement leader.

Ms. Kahn, 75, was found dead in her Chelsea home November 3. Trained as a public school teacher, she was fired from her post in the New York public school system during the McCarthy period. Subsequently, she became involved in Communist Party education programs among workers, being closely associated in her work with the late Alberto Moreau and current CP leader Ted Bassett.

In Chelsea, she was an active member of the Hudson Guild Council, a settlement house, and was instrumental in calling together an issues conference in 1972 sponsored by the Guild.

In 1972, she was elected to the Chelsea Neighborhood Board of the Chelsea Action Center.

Shortly before her death, she chaired a meeting of the Chelsea Women Strike for Peace, an organization to which she devoted much of her time and love. She led a Chelsea WSP contingent to a community rally to preserve integration in the neighborhood and against real-estate speculation and minority removal.
